Title: Need for railway network in Darrang district of Assam.

SHRI RAMEN DEKA (MANGALDAI): I would like to draw the attention of the Government towards a pertinent problem of Darrang district with regard to communication.

The Darrang district is not covered with railway network till date. The entire population of Darrang district and North Kamrup are not getting the opportunity of travel by rail. North bank of Brahmaputra is a backward region and communication to Guwahati is not good. Darrang District produces abundant vegetables and other agricultural produces but due to lack of communication, the farmers are not getting their due price.

In view of this, I earnestly request Government to provide rail connectivity to Darrang district.
